

Airbnb

The image features the Airbnb logo, which consists of the word "Airbnb" in a white, bold, sans-serif font. The logo is centered within a dark blue hexagon. This hexagon is set against a larger, light gray hexagonal background that contains a black and white photograph of a city skyline with tall buildings and a cloudy sky. The entire composition is framed by dark blue geometric shapes and lines on the left and top, and a yellow geometric shape on the bottom left. A thin yellow line extends from the bottom right towards the center.

Кои сме ние?
